14. Result of verification

Verification carried out shows that this certificate:
put 'X' in the appropriate box

☐ was issued by the Customs Office indicated and
that the information contained therein is accurate

☐ does not meet the requirements as to authenticity
and accuracy (see remarks appended)

Place and date

Signature

Stamp

Notes

1. Certificate must not contain erasures or words written over one another. Any alterations must be made by deleting the incorrect particulars and adding any necessary corrections. Any such alteration must be initialled by the person who completed the certificate and endorsed by the Customs authorities of the issuing country or territory.
2. No spaces must be left between the items entered on the certificate and each item must be preceded by an item number. A horizontal line must be drawn immediately below the last item. Any unused space must be struck through in such a manner as to make any later additions impossible.
3. Goods must be described in accordance with commercial practice and with sufficient detail to allow them to be identified.
